

**H**anley's Grille & Tap is a full-service restaurant and bar featuring a complete menu of moderately priced contemporary American "comfort" food, influenced by French and Italian cooking traditions, but based on time honored recipes from all regions of the United States. The focus is from the grill with great steaks that are aged in-house. While great steaks create the buzz, that is only the beginning.

There is something for everyone with a well rounded offering of signature items, enticing appetizers and sandwiches that are served in the bar or dining room. We also feature great house specialties, pizzas, pastas and desserts.

Our restaurants serve fresh food made from scratch at a great price. The tap at Hanley's is a classy specialty beer tavern with the unique proprietary brews; Hanley's Ale and Extra Pale Ale. But that's not all; our bar also features an exciting menu of martinis, wines by the glass, domestic beer favorites, and a line up of premium micro brews for the discerning beer connoisseur. Don't forget plenty of flat screen TV's to watch your favorite sports team.

Our concept offers many experiences under one roof. Hanley's Grille & Tap was created with a belief in great food, fantastic service and a fun, casual atmosphere that is perfect for any dining occasion or gathering. We are the perfect place for business or casual lunch, a special evening out, a family celebration, "just a bite to eat" or "let's have a drink." We accommodate groups of all different sizes and offer catering as well.
